Author(s): Author(s) or PI(s); Persons or organizations responsible for data collection	Karsten Dahl, Cordula Göke, Andrea Morf, Helena Strand, Andreas Kannen, Angela Schultz-Zehden, Nerijus Blazauskas, Antje Roß, Holger Janßen, Michael Gilek, Kira Gee, Ralph Tafon, Jacek Zaucha
Related publication(s): Link to archived publication or name of publication	N/A
Related project(s): Link to baltspace.eu and WP (if relevant)	WP4 – Extended peer review
Keywords:	Extended peer review, maritime spatial planners, integration challenges

Data type: Describes the nature of the data	Summaries of meetings
Date and/or time span of data collection:	September 2015-March 2018
Location/ area covered: Geographic location or area of data collection	Mainly Baltic Sea region, in final conference MSP Dialogue Forum also Black Sea and Mediterranean
Unit(s) of observation: Describes who or what is being studied (e.g., individuals, organizations, primary text sources etc.)	Individuals and their input/reactions
Sample size: Number of interviews; participant observations, dialogue forums, primary documents etc.	5 overarching MSP Dialogue Fora
Research design and methodology: Describes general method of data collection and analysis	Presentations and QnA, world café, panel discussions
Sampling procedure: Describes how units of observation were sampled	Invited experts in combination with open calls.
Date created:	31 January 2018
Last updated:	30 March 2018
Location of dataset: url or unambiguous description of location	Backend BONUS BALTSAPCE website
Owner: Person or organization making these data available	s.Pro – sustainable projects
Owner contact: email address	asz@sustainable-projects.eu , eo@sustainable-projects.eu
Availability and terms of use: (e.g. openly available, available on request, restricted to project participants until 2019 etc.)	Restricted to project participants
Files: Describes the number and nature of files included in this set (e.g., data, program, and output files; supplemental files such as codebook, questionnaires, and treatments)	Text files
